April 4, 2017

Hello!

Enclosed you will find a master copy of the **Care About Childcare - USU Summer Activity Guide 2017**. We hope you will find it to be a useful tool in helping your families plan for a successful summer.

Seventy-six percent of all Utah school age children 5-12 years old have parents in the workforce, creating the potential for many children to be left unattended. Many children are not prepared to be left home alone. Children in self-care are more likely to engage in risky behaviors, be truant from school, experience stress, have poor grade and abuse substances. They are susceptible to feelings of loneliness, fear and boredom.

Summer activities are a wonderful way to offer fun, constructive activities to occupy children's time. Summer activities can give children learning opportunities that not only help to ease their boredom, but can also help them become well-rounded, socially capable adults.

We at Care About Childcare - USU have gathered this list of possible summer activities that may be of interest to parents. Please feel free to reproduce and share this guide with parents or distribute school-wide. There is also a link on our website to look at or share with them, it is at:
http://www.careaboutchildcare.usu.edu
Please call us at 435-797-1552 or 800-670-1552 if you have any questions. Have a successful summer!

Sincerely,

The Staff at:

Why Are Summer Activities Important?

Seventy-six percent of all Utah school age children 5-12 years old have parents in the work force, creating the potential for many children to be left unattended. Many children are not prepared to be left home alone. Children in self-care are more likely to engage in risky behaviors, be truant from school, experience stress, have poor grades and abuse substances. Summer activities are a wonderful way to offer fun, constructive activities to occupy your children's time. Summer activities can give your children learning opportunities that not only help to ease their boredom, but can also help them become well-rounded, socially capable adults.

We, at Care About Childcare - USU, have gathered this list of possible summer activities that may be of interest to you and your children. We hope that you will take the time to talk to your children and help them choose the activities that are best suited to their interests and your needs. Please let us know if we can be of any further service to you.

Join us this summer as we host half and full-week Aggie Adventures STEM camps ($40-$100) and Saturday open hours (free)!

Summer camps are held 9:00 am-12:00 pm or 1:30 pm-4:30 pm M-F, with shorter, 2-day camps for younger youth*. Each camp includes a t-shirt, daily snacks, and creative STEM (science, technology, engineering, and math) activities. Check our website or add yourself to our email list (cachemakers.org/get-involved) to be notified as soon as we schedule our next events. Registration is managed by Eventbrite (cachemakers.eventbrite.com), where you can view all of our current and past events. Parents of youth qualifying for free or reduced lunch may apply the discount code "FRLunch" to the tickets of their choice. 4-H registration required†.

Saturday open hours are times when equipment and space are reserved for youth to learn and create alone or with peers, parents, and mentors. Staff will offer assistance. Youth under 12* must be accompanied by a parent or other mentor, and all participants (parent volunteers and youth) must have current 4-H registrations† and check in with Cache Makers IDs. Staff will take ID photos during open hours, or you may email us one you already have.

* Normal 4-H ages are 8-18. Occasionally during the school year and usually during the summer we extend certain activities to younger Cloverbuds (youth ages 5-7 who began Kindergarten).

Be Your Kid's Hero This Summer!

Are you looking forward to your kids bouncing off the walls and running amuck all summer long, if so then stop reading this right now! If not, we have some great news for you!

The Cache Valley Fun Park's Summer Camps will keep them busy and out of your hair. The best part is that you will be their hero because they get to go to the Fun Park every day!

They won't even know that you just need some quiet time for yourself!

Under the guidance of our amazing camp counselors, those kids, lucky enough to get a spot, will experience activities full of learning, skill building and just *good old fashioned fun!* No sunburns, long lines or vegging out in front of the TV all summer long. Just **NEW FRIENDS, MEMORIES,** and **FUN TIMES!**

Our week long summer camps run Monday - Friday from 8:00 am - Noon and are available throughout the summer.

4 Ways You Can Be Your Kid's Hero This Summer:

- **Flash pointe Boot Camp** *(June 12-16, July 10-14 & Aug 7-11)*
- **Fun Times Camp** *(June 5-9, 12-16, 26-30, July 10-14, 31-Aug 4, Aug 7-11 & 14-18)*
- **Leadership & Team Building Camp** *(July 17-21)*
- **Science & Engineering Camp** *(June 19-23)*

You're welcome to send your kids to just one week or all of the camps!

To get your kids registered visit our website at: www.CacheValleyFunPark.com TODAY!

Kids Bowl FREE at the Fun Park

The Fun Park is excited to once again offer the **Kids Bowl Free** program this summer! This exciting program is open to those kids 15 years old and younger. Each registered "kid" can bowl 2 free games each day! Lanes are available for K.B.F. Monday through Friday from 1:00 to 6:00 p.m. and 10:00 am to Noon on Saturdays during the summer. The program runs from May 1st through August 18th, 2017.

Parents, visit our website (www.CacheValleyFunPark.com) for more information and to **get your kids registered today!** Kids, sorry but you cannot sign yourself up, your parents will have to do it for you. The good news is that registration is free & easy!

Mission of Cache Valley Gardeners' Market

The mission of Cache Valley Gardeners' Market is to educate consumers about sustainable agriculture and healthy foods, provide a source of revenue for local farmers and artisans, and create a vital community gathering place for all ages. Our Market showcases locally homegrown produce, fine arts and handmade crafts. In support of this mission, we will:

- Foster commercial and educational relationships between our vendors and city-dwellers;
- Serve as a small business incubator for local Small Family Farms, artisan food producers, and craft artisans;
- Enhance the region's quality of life by encouraging environmentally sound agriculture and access to local, healthier foods.

Cache Valley Gardeners' Market's parent organization is Sustainable Agriculture Association of the Bear River Area (SAABRA) which is a 501 (c) 3 not-for-profit.

Music and Movement Classes for Children

This is a program for young children, ages 6 months to 5 years, based on the Orff Schulwerk approach to teaching music. In this approach, children make music with activities that are enjoyable and natural for them such us simple songs, rhythms, and movements. Kids play on pitched and non-pitched percussion instruments that are colorful, kid-friendly and safe. During the learning process children improve their concentration, coordination, sensitivity to rhythm and tone, singing, and playing instruments. The participation and modeling of parents and teacher is essential to a child's music growth. Music can be one of the most wonderful and strong forms of communication that parents and their child can experience together. Bring friends because music is better when it's made together!

Nature Tales
Join us every Wednesday at 11 AM for a free, nature-themed story, snack, and activity. Hiking up the nature trail to our Logan Canyon location is a fun way to spend the day! After the program feel free to spend time playing outside in our mud kitchen, explore the engaging exhibits inside, or have a picnic at our riverside picnic area.

Canyon Conversations
A fun way to spend your Friday evening! Come listen to a short presentation themed around Logan Canyon. Topics may include bats, live animal feedings, edible plants, and many more! This is a free, family-friendly activity that will get you excited about exploring Logan Canyon on your own.

Naturalist Hikes
On the 1st Saturday of every month, join a Naturalist Educator for a guided educational hike. Hikes are designed for adults, but families are welcome too! Some example topics may include birds, edible and medicinal plants, or reptiles and amphibians. Hikes will take place from 10AM-12PM and will occur at different locations each month.

Canyon Jams Concerts
Enjoy live music in a beautiful outdoor setting! Bring a picnic lunch to eat in our picnic area and stay for the concert. Our summer line-up is:

June 25th - Panthermilk supported by Mojave Nomads
July 30th - Hectic Hobo supported by Salduro
August 27th - Earthestra supported by Megan Simper

Individual Math Tutoring for Elementary Aged Students

Using a game approach with hands-on practice and use of technology, TIME Clinic tutors focus instruction on the individual needs of the student as determined from diagnostic testing. Tutoring sessions are individual, one-to-one, instruction provided by a specialist in mathematics education. All sessions are held in the Emma Eccles Early Childhood Center at Utah State University and are typically one hour in length. Cost is $35 per session. However, thanks to a generous donation, we will be able to offer tutoring at reduced rates ($5 to $15) to struggling students who qualify for either of the following research projects:

Number Fluency– 1st – 4th Grade Students

Student will participate in 20 to 25 one-to-one 45 minute tutoring sessions. Sessions will focus on the deepening of students' math fact fluency and strengthening their ability to compose and decompose numbers.

Fractions – 4th and 5th Grade Students

Students will participate in 8 one on one 45 minute one-to-one tutoring sessions focusing on equivalent fractions and problem solving. Instruction will focus on the use of manipulatives, technology, activities and games designed to strengthen students' understanding of basic fraction concepts.

For more than 30 years, the Youth Conservatory (YC) has helped parents provide the best for their children by fostering the standards of musical excellence in a learning environment filled with enthusiasm and enjoyment. Founded in 1978 by internationally recognized pianist and pedagogue, Gary Amano, the YC occupies a central role among Cache Valley's cultural programs for young people. Each week, more than 300 pianists, ages 4–18, of varying abilities and backgrounds, come to the Chase Fine Arts Center for piano lessons and musicianship classes. Our unique program offers 30 - 85 minutes of instruction per week, with affordable tuition rates starting at $35 a month. We invite you to take a moment to learn more about our program and see how the Youth Conservatory could benefit your child and your family.

Mineral Springs

Hot Spring

Our natural hot spring ranges in temperature from 120 – 134°F (51°C – 57°C) and contains the highest mineral content (46,000 mg/L) found in any hot spring in the World. In 5 minutes 8,400 gallons of hot spring water surfaces in a 24 hour period there are 900,000 lbs. worth of minerals carried to the surface with 2.4 million gallons of hot water. This hot spring water is coming from 8,000 feet below the earth's surface and is estimated to be around 22,000 years old.

Cold Spring

Less than 50 feet from our natural hot spring surfaces a 65°F – 75°F (18°C – 24°C) cold spring. The cold spring has a slightly higher rate of flow, every 5 minutes 9,200 gallons of water surface. In a 24 hour period, 2.6 million gallons of cold water surface. These two springs surfacing this close to each other are the second closest hot and cold spring in the world. These two springs are what fill our 3 mineral hot tubs, large soaker pool and an Olympic size pool.

BATHING IN MINERAL WATER THROUGHOUT HISTORY IN ALL CORNERS OF THE WORLD MINERAL WATER HAS BEEN USED FOR THERAPUTIC PURPOSES THERE ARE MANY DIFFERENT REASONS FOR SOMEONE TO USE A MINERAL SPRING SOME SIMPLY WANT TO DESTRESS, BALANCE, AND RECUPERATE WHILE OTHERS SEEK A NATURAL WAY TO REPAIR DAMAGED SKIN THERE ARE EVEN THOSE WHO USE THERMAL MINERAL WATER AS AN ALTERNATIVE MEDICINE FOR A LIFE CHANGING DISEASE HERE AT CRYSTAL HOT SPRINGS WE ARE VERY LUCKY TO HAVE THE HIGHEST MINERAL CONTENT SPRING IN THE WORLD.

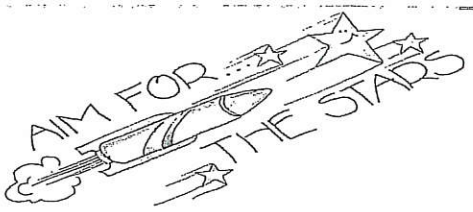
Thiokol Rocket Display
(435) 863-3511
Website: www.utahoutdooractivities.com/morton.html



At the rocket display, you'll see some of the rockets that Thiokol manufactures. Each rocket has a small plaque that explains what the rocket is and what it is used for, such as a rocket booster for the Space Shuttle.
Directions: The Morton Thiokol rocket display is approx. 25 miles from Brigham City on State Route 83. Once you've visited the rocket display you can continue to travel North on State Route 83 and it will take you to Interstate 84 which you may continue into Idaho, or once on 84 you may cut back to the east and re-connect to I-15.
