This helps our school with funding.

The state looks at many things when funding schools. One of them is the number of students listed on the Declaration of Household Income. ***Submitting an accurate account to the state may increase certain types of funding for the school.***

We ask that **all** parents complete and return the form. Check the box indicating whether or not you meet the guidelines. List the names of all students in your household and sign the form.

You do NOT need to indicate the level of income. It is a guideline for you to use in your determination.

If you have any questions, please call the school at 435-752-0123.
