Notice of Directory Information

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. Appropriately designated "directory information" may be disclosed without written consent, unless you have advised us to the contrary. The primary purpose of directory information is to allow the school to include information from your child's education records in certain school publications. Examples include: a playbill, showing your child's role in a drama production, the yearbook, honor roll or other recognition lists.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that publish yearbooks.
