

**Letter of Intent—Please return only ONE copy per family.**

It is time to begin our enrollment process for the 2019-2020 school year. In order for us to anticipate the enrollment numbers we need to know if your student(s) will be returning next year. **In addition, if you have a kindergarten student or another new student to enter, please indicate that at the bottom of this form.** Siblings are always given preference over general enrollment applications.

**We will begin enrolling new families promptly following the deadline. To maintain your spot it is important to enroll early.** Please notify and invite your friends, family, and neighbors who may be interested in enrolling their children here at Edison South. Enrollment applications will be available online or at the school office.

Information regarding the random drawing rules and procedures is available online at [www.thomased.org](http://www.thomased.org) or at the school office.

We value and appreciate our families and look forward to your return. If plans necessitate a change of your family's plans, we ask that you notify the school so that we can be courteous and let other families know when openings are available.

Please return this letter to the office by Wednesday, **January 9, 2019**. *If we do not receive this form by the due date, the school will assume your child is not returning for the 2019-2020 school year and the place will be given to a student from the waiting list.*
