

Dear Parent or Guardian,

This year at Thomas Edison, we are going to be offering vision screening. We feel a child's ability to see greatly impacts her or his ability to learn. Children often do not identify a vision deficiency themselves: therefore, school vision screening may become the first identifier of a potential problem. If you would prefer not having your child screened, return this form, signed by August 27, 2019 to our front office staff.
