

# Summer Reading 2022

This summer, the Thomas Edison South Library will be open on select days, yet to be determined. This is a great opportunity for Thomas Edison South students and parents/guardians *returning* in August to continue reading books from the library over the summer. All patrons interested in checking out books over the summer need to fill out this permission slip, and have a parent/guardian sign it. *As parents need to stay with their children when visiting during the summer, they can add to their volunteer time requirement by helping to shelve books while they wait.*

**Please retain the top portion of this form for your information.**

- Students must have returned all library books and cleared their accounts *before* checking out books for the summer.
- The attached permission slip must be signed and returned *before* check out.
- Books may be checked out for up to one month.
- Summer patrons may check out up to 5 books regardless of grade level.
- All books must be returned by back to school night Wednesday, August 15.
- You will be emailed dates/times as they become available. Dates will also be posted on Instagram @tecs\_library
- ***Students must be accompanied by an adult.***
