NOW, THEREFORE, in consideration of the mutual covenants, representations, warranties, and agreements contained herein, and the recitals provided above, the Parties hereby agree as follows:

SECTION 1. ESTABLISHMENT OF THE CHARTER SCHOOL

1.1 The Charter School. The SCSB, as an Authorizer under U.C.A. §53A-1a-501.3(3) hereby authorizes Applicant to establish a charter school pursuant to the Act and this Charter Agreement.

1.2 Charter Agreement. This Charter Agreement is a legally binding document and consists of this signed Agreement, including all attachments, specifically, Exhibit “A,” and all applicable State and Federal statutes, regulations, and rules, as each may be amended from time to time. In addition, incorporated by reference are all USBE rules unless specifically waived pursuant to U.C.A. §53A-1a-511.

For purposes of interpretation, these governing authorities shall be construed consistently but in case of a conflict, they shall be given precedence in the following order: first, State and Federal statutes and regulations; then USBE rules and SCSB policies; then this Agreement including all exhibits and attachments.

1.3 Compliance with Laws, Regulations and Rules. The Charter School, through its Governing Board, shall comply with all applicable state and federal laws, regulations, and rules. Neither the SCSB nor the local board of education assumes the duty to oversee the operations of the Charter School except as may otherwise be provided by law or separate contract.

In addition, the SCSB requires the website contain links to school data and accountability reports maintained on other websites (e.g., student assessment, audited financial statement, etc.); links to Governing Board meeting dates, agendas, and minutes; and reports created by the Governing Board to provide evidence of how the Charter School performed compared to the assurances and school accountability measures in this Charter Agreement.

The policies shall be maintained by the SCSB with this Agreement. The School’s Governing Board shall provide the SCSB with certificates of insurance as provided herein annually within thirty days of the insurance purchase or renewal.

SECTION 4. CHARTER REVIEW

4.1 Reviews. In keeping with the requirements of U.C.A. §53A-1a-501.6(1)(b) the SCSB will perform at least an annual review (more often as the need arises as determined by the Authorizer) and evaluation of the performance of the Charter School and hold the Charter School accountable for its performance. To facilitate the annual or any other review the School shall maintain the necessary records to provide the following:

a. Annual Performance Report. In keeping with the purpose of the Utah Charter Schools Act, the State Charter School Board will produce for public distribution an annual report that provides clear, accurate, performance data for the Charter School according to the frameworks set forth in the SCSB Charter School Performance Standards: Financial Performance & Sustainability, Governing Board Stewardship, and School Accountability, and those found in Exhibit “A,” as well as reporting overall portfolio performance.

b. Documentation. The Governing Board shall maintain all documents used to determine and support data used to prepare the annual report provided in subsection 4.1 a., and shall submit such additional documents as the SCSB may request.

4.2 Review Process. The Charter School review process will be guided by the following core questions, and by the purposes, and School Accountability Measures found in Exhibit “A”:

- Is the School’s academic quality successful as represented publicly and as described herein?
- Is the School’s organizational structure; governance and financial position viable and sustainable?
- Have there been any material misrepresentations made to the Authorizer or the public?

26 U.C.A. §53A-1a-501.6 (1) (b)
• Is the School demonstrating good faith in following the terms of its Charter Agreement and all other applicable laws, regulations, and rules?

4.3 Intervention. The SCSB will establish and make known to the Governing Board, consistent with USBE rule,²⁷ the general conditions that may trigger a “Notice of Concern,” “Letter of Warning,” or “Probation,” as provided below. The SCSB will provide to the Governing Board clear, adequate, evidence-based, and timely notice of law, rule, regulation, or Charter Agreement violations or performance deficiencies and allow the Governing Board reasonable time and opportunity for remediation in non-emergency situations. Where intervention is needed, the SCSB will engage in intervention strategies that preserve Governing Board autonomy and responsibility (i.e., identifying what the school must remedy without prescribing solutions), but may take additional action as the circumstances, and exigencies dictate.

a. Notice of Concern. Staff may issue a “Notice of Concern” addressed to the Governing Board outlining areas of concern.

b. Letter of Warning. SCSB may direct staff to issue a “Letter of Warning” addressed to the Governing Board identifying deficiencies and providing a timeline by which the deficiencies shall be remedied. The terms of the letter and the consequences associated with the warning will be those found in the letter. In addition, the SCSB may provide focused support to the Charter School, including assigning a mentor and on-site monitoring.

c. Probation. SCSB may direct staff, before termination of this Charter Agreement for a material breach thereof, to place a School on “Probation” for such period of time, up to one year, or such other time period as may be appropriate or established by rule, necessary for the School to be able to establish its ability to comply with all of the terms and conditions of this Agreement and all controlling laws, regulations and rules. The SCSB will provide notice of such probation and the terms of that probation in a letter provided to the Governing Board. In addition, the SCSB may provide focused support to the Charter School, including assigning a coach, providing professional development, and analysis of monthly written updates provided by the Charter School governing board and key administrators.

d. Additional Actions. In addition to a Notice of Concern, Letter of Warning or Probation, and where the Charter School has not remedied deficiencies within the timeframes established by the SCSB, the SCSB may pursuant to U.C.A. §53A-1a-509:

   1) remove a Charter School director or financial officer, or their equivalent positions, and without consideration of the School’s corporate formalities;²⁸

²⁷ U.C.A. §53A-1a-509 (5)
²⁸ U.C.A. §53A-1a-509 (2) (a) (i)
2) remove a governing board member, without consideration of the School’s corporate formalities; or
3) appoint an interim director, who will replace or act in the place of the director, or mentor to work with the Charter School.

e. **Termination of Charter.** SCSB may terminate this Charter for those reasons provided in state law, USBE rule, or for material breach of this Agreement subject to the right of appeal as provided in U.C.A. §53A-1a-510.

In addition, the Governing Board may voluntarily terminate this Agreement. In the case of any termination whether it is voluntary, or initiated by SCSB action, and after the settlement of all outstanding obligation from the assets on hand, there is a presumption that the property of a School shall revert to the SCSB. A School may defeat the presumption of SCSB ownership with documentation that the School purchased the property with private funding, and compelling documentation exists that the School or its founders or directors were never reimbursed from public funds.

**SECTION 5. MISCELLANEOUS**

5.1 **Indemnity.** The Charter School agrees to indemnify and hold harmless the USBE, SCSB, and local boards of education, their officers, agents, employees, successors and assigns from all claims, damages, losses and expenses, including attorney’s fees, arising out of or resulting from any action of the Charter School caused by any intentional or negligent act or omission of the Charter School, its officers, agents, employees, and contractors.

5.2 **Assignment.** Assignment of this Agreement or a significant part of the assets of the School, or any part of its operation, to another entity, related or not, is deemed an amendment and is effective only if the amendment is done pursuant to Section 5.3.

5.3 **Amendment.** This Agreement may be amended by the mutual agreement of the SCSB and the Governing Board. Any such amendment must be made in writing and signed by the appropriate representatives of the SCSB and the Governing Board. In the case of any proposed amendment the Governing Board shall immediately submit in writing, to the SCSB and the local board of education in which the School is located, notice of any proposed changes to the Application, Agreement, or the representations or conditions contained in the original Application. The SCSB reserves the right to reject any proposed changes to this Agreement once the Application has been approved and this Agreement has been signed.
5.4 **Notice.** Any notice required or permitted under this Agreement shall be delivered by way of registered mail, return receipt requested as follows:

Attention: Governing Board

5.5 **Status of Parties to Charter.** This Charter is not intended to create and shall not be interpreted to create employer-employee, contractor-subcontractor, or principal-agent relationships between or among any party or parties to this Agreement. “Parties,” for purposes of this paragraph only, include the parties to this agreement as well as the SBE and the local board of education. No officers, employees, agents, or subcontractors of the Charter School shall be considered officers, employees, agents, or subcontractors of the local board of education, and nothing herein shall entitle any individual with any property right or interest.

5.6 **Severability.** If any provision of this Agreement is determined to be unenforceable or invalid for any reason, the remainder of this Agreement shall remain in effect, unless the Charter is terminated. In addition, to the extent any portion of the Agreement, or the Charter School’s articles of incorporation or bylaws, violate any applicable state or federal law in the future, or are found by any court to be invalid, illegal or unenforceable, then such portion shall be severed, and the remaining portion shall remain in full force and effect until the Governing Board is able to amend their Agreement, articles of incorporation, or bylaws to comply with such applicable law or court ruling.

5.7 **Non-Endorsement.** The Governing Board acknowledges that the granting of a Charter Agreement in no way represents or implies endorsement by the SCSB of any particular method used by the Charter School or its agents; nor does this Agreement constitute a guarantee by the SCSB of the success of the Charter School in providing a learning environment that shall improve student achievement.

5.8 **Legislative Action.** This Agreement and any amendments to it are subject to applicable state and federal laws, and shall be deemed amended to reflect applicable changes to
those laws. Upon repeal of the statutes authorizing charter schools, this Charter Agreement is null and void.

5.9 **Waiver.** No waiver of any breach of this Agreement shall be held as a waiver of any other or subsequent breach.

5.10 **Governing Law.** This Agreement shall be governed by, subject to and construed under the laws of the State of Utah. Jurisdiction shall be deemed appropriate in any State Court of competent jurisdiction in the State of Utah. Should any action be brought to enforce any provision of this Agreement the substantially prevailing party shall be entitled to an award of its costs and attorneys fees.

5.11 **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. For purposes hereof, a facsimile copy of this Agreement, including the signature pages hereto, shall be deemed to be an original.

5. Purpose(s) of the charter school:

   a. **Improve student learning by:**
      i) providing research-based, validated instructional methods,
      ii) providing training to all teachers (see b below),
      iii) providing an advanced, sequential curriculum in the math & language arts programs from kindergarten through middle school,
      iv) teaching at an advanced level and pace to pull the below average learners up while providing intervention instruction to struggling students,
      v) creating a positive learning environment by implementing the Glenn Latham classroom management method,
      vi) employing trained aides in the primary classrooms to decrease the student to adult ratio while increasing support to the classroom teachers, and
      vii) encouraging parental involvement in the classroom.

   b. **Encourage the use of innovative teaching methods by:**
      i) providing training to all elementary teachers to deliver a research-based total language arts method,
      ii) employing ‘directors of instruction’ who evaluate, mentor, and provide real-time feedback to classroom teachers throughout the school year, and
      iii) periodically sending the directors of instruction and veteran teachers to conferences and training seminars to remain up-to-date as trained certified instructors and/or teacher-trainers in the methods taught at the school.

   c. **Create new professional opportunities for educators that allow them to participate in designing and implementing the learning program** by participating in various Professional Learning Communities, school committees and being given opportunities to serve on school LAND Trust committees.

   a. Teach basic skills and knowledge through direct instruction
   b. Develop an atmosphere of respect and acceptance
   c. Uphold the Dress Code Policy
   d. Provide homework as an integral part of the academic program
      i) The primary purpose of homework is to be a vehicle for teaching students time management skills and personal responsibility. Homework serves three additional purposes:
         a) it is a communication device between school and home, providing parents with the opportunity to see what concepts are being covered during the school day,
         b) it is used by the teacher as an assessment tool to determine the effectiveness of their instruction, and
         c) it provides students with the opportunity to demonstrate their understanding of concepts that have been taught and practiced in the classroom setting without the security, structure and assistance of the classroom teacher.
   e. Implement the Spalding Language Arts program
   f. Maintain an in-house Spalding qualified trainer to mentor teaching staff and classroom aides
   g. Enhance each student’s knowledge and skills in math through concept development, drill and practice
   h. Expect each student to memorize and recite for the teacher, one selection of either prose or poetry at least once every six weeks
   i. Provide a balanced experience in the areas of music, art and physical education
   j. Instill a sense of pride in and respect for self, others and country
   k. Implement and enhance a traditional history/geography curriculum that emphasizes patriotism, the unique liberties afforded by the constitution and the bill of rights and fundamental concepts regarding community, state and county
   l. Maintain a large enough student population to offer all programmatic elements listed above.

In concert with its purpose and key elements, its goals are to:
• Train and discipline the intellect
• Teach skills
• Equip students with the necessary skills to become decision makers, problem solvers, and lifetime learners
• Prepare students for the outside world by challenging them to compete for achievement of standards in the classroom
• Coordinate home and school effort in providing a solid education foundation for students.
• Ensure the success of all students through implementation of a well-rounded challenging academic program
• Encourage parental involvement. All parents/guardians become members of the TECS parent organization at the campus where their students are enrolled.
The Thomas Edison Charter Schools’ curriculum highlights a strong academic focus on elemental skills development, and uses a direct instruction teaching philosophy. This philosophy, in concert with its mission, purpose, and goals is the basis for the selection of its curriculum. Opportunities to adjust or modify the curriculum may be considered from time to time. Any adjustments to the curriculum requires the approval of the Governing Board, and the board may only approve such changes after careful discussion and consideration.

However, the spirit of the school’s mission and its philosophy of direct instruction teaching and elemental skills development will be maintained throughout its existence.

The employment of qualified relatives of current employees at either Thomas Edison Charter School campus is not encouraged. In no event will a relative be allowed to have supervisory authority over another relative.

3) be a combination of 1) & 2).

Only one board position may be filled per family. A board member may not be a relative of an employee regularly working 25 hours or more per week. The board will strive, to the greatest extent possible, to balance the number of parents from each campus serving on the board.

A majority vote of the total board membership (4) constitutes action by the board. The board may not act unless a quorum of four board members is present.

Any amendment to the Governing Board structure, school mission or the key elements of the school listed in section 6 of this document require the following 3 step process. Philosophy and philosophically based policies require steps 1 and 2:
1) approval by the governing board,
2) a 3/4th's majority vote of a quorum* of the parent organization, with the results announced at a board meeting after the vote, and
3) approval by the charter authorizer.

Grammatical or clarification adjustments are allowed on philosophically based policies without going through this process so long as the original philosophy remains intact.

Note*: A quorum is defined as more than 50% of the P.O. membership. The parent organization (P.O.) must be informed of the proposed amendment via letter, newsletter, or other communication and encouraged to vote on the amendment.
